

## WHO WE ARE

Sister Sky Inc (SSI), is a SBA certified 8(a), Native American, economically disadvantaged woman-owned small business (EDWOSB) that provides logistics & administrative support (LAS), technical assistance & training, program evaluation and event planning services across a diverse mix of federal agencies.

## CONNECTED TO THE COMMUNITIES WE SERVE

As a 100% Native American owned company, Sister Sky Inc recognizes cultural uniqueness and sensitivity as crucial in fostering improvements in health, education and self determination. We are familiar with Indian Country because we live, work and stay connected to the communities we serve. We have worked extensively with over 300 Native American tribal communities across education, economic development and social services. In addition, we have existing relationships with tribal leadership organizations that can improve outreach, partnership and participation.

## PAST PERFORMANCE HIGHLIGHTS

### DEPARTMENT OF HEALTH & HUMAN SERVICES (HHS) **INDIAN HEALTH SERVICES (IHS)**

Providing training & technical assistance and program evaluation for the Behavioral Health Integration Initiative Project.

### U.S. DEPARTMENT OF AGRICULTURE **FOOD ASSISTANCE DIVISION (FAD)**

Prepared written congressional reports for two international food assistance programs. Project required international field research and data collection.

### ADMINISTRATION FOR CHILDREN & FAMILIES (ACF) **ADMINISTRATION FOR NATIVE AMERICANS**

Providing training and technical assistance and program evaluation for the Native Language Community Coordination Project.

### DEPARTMENT OF LABOR (DOL) **NATIONAL FARMWORKERS JOBS PROGRAM**

Providing grantee management, data collection, technical report writing, materials management and administrative support services.

## PRACTICE AREAS

### TRAINING & TECHNICAL ASSISTANCE

- Virtual TA development and delivery.
- Needs assessments
- Communities of practice (CoP) development and moderation.
- Subject matter expert (SME) identification, recruitment and management.
- Site visits and in-person TA through coaching and facilitation.
- Website design, development, and management.
- Planning and logistics for meetings, webinars, teleconferences.

### LOGISTICS & FACILITATION SERVICES

- Manage report intake process including receiving and organizing materials and notifying client of missing or incomplete data.
- Review data and prepare analysis that provides a summary of progress, key issues and trends, best practices, and technical assistance needs.
- Review statistical data and consolidate into a universal report that tracks ongoing progress and benchmarks.
- Capture and catalog program participant “success stories” and assist client with showcasing in newsletters and website.

### TECHNICAL COMMUNICATIONS

- Skilled at reviewing technical materials to identify gaps and create data gathering tools including interview and field work plans.
- Experience at conducting international program site visits to obtain quantitative and qualitative data.
- Effective at translating our clients' ideas into coherent, usable documents.

### PROGRAM EVALUATION

- Innovative evaluation design - guides research and ensures true impacts and outcomes.
- Effective analysis, synthesis, reporting and dissemination.
- Best practices research.
- Design, planning, and data collection.
- Program assessment and monitoring.
- Benchmarking
